Core Values

Integrity

S&D Contracting's foundation is based on integrity. We give personal attention to our customers' needs and expectations and we set our standards high. We pride ourselves on our safety, honesty, quality and commitment.

Team Work

We treat our customers and teammates with the utmost respect and understand that without them we would not and could not succeed. Importance lies on an open line of communication in the workplace, staying loyal to our team and providing the opportunity to grow. Also, allowing personal development along with a safe working environment. We value our teammates, subcontractors and our customers.

Commitment

We take pride in our work and are committed to keeping lasting relationships. We continue to be an innovative leader, providing the finest quality of shell construction. We have proven ourselves with reduced cycle times, reduced construction costs, labor force stability and customer communications. Our goal is to enrich the personal and business lives of our customers and teammates while maintaining our integrity.

Strong Leadership

An experienced, seasoned team with many years of professionalism, management and scheduling oversees our product to ensure quality.

Market

We are well known on the East coast of Florida from Vero Beach all the way down South to North Miami. We provide our services in St. Lucie, Martin, Palm Beach, Dade and Broward Counties and have been in business for over a decade.

About Us

With safety being our #1 concern we provide a professional service and quality construction. We are fully licensed and insured and follow strict safety and OSHA guidelines. Our company is based on the belief that our client's needs are of the utmost importance. Our entire team is committed to meeting those needs. As a result, a high percentage of our business is from repeat clients and referrals. S&D Contracting prides itself on safety, professionalism and honesty.

Our Expertise

S&D Contracting has been doing business since 2003 but we have an extensive amount of experience. With over 30 years' worth of construction experience, across a broad spectrum of projects ranging from small construction to million dollar contracts, S&D Contracting has both the knowledge and business experience to provide exceptional work and a complete project management. We are fully dedicated to providing an honest, professional approach and the quality construction you expect while meeting fiscal goals in a timely manner.

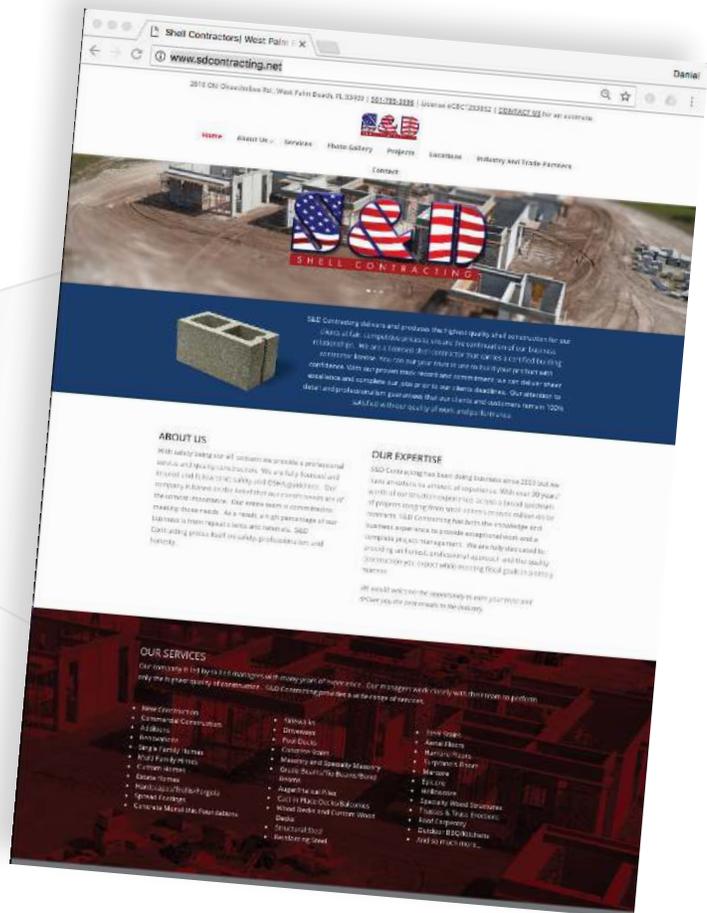

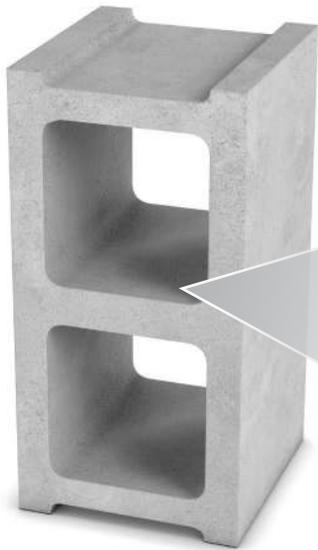

We would welcome the opportunity to earn your trust and deliver you the best results in the industry.
